EMS COMMUNITY INVITED TO **LMHS CATH LAB**

We would like to invite you into our Cardiac Catheterization Laboratory for a behind-the-scenes learning experience. We value your role in providing outstanding pre-hospital care for our patients. We are excited to share this unique opportunity with you. Together, we are a model of great care for our community.

To schedule a visit or for more information, contact EMS Manager Doug LaRue at dlarue@limamemorial.org or 419-226-5178.
